COMPLIANCE CATEGORIES AND DEFINITIONS

Category	Compliance Definition
1	Recommended. You should do this bulletin before the next flight.
2(a)	Recommended. You should do this bulletin when you receive it, and every XX flight hours until further notice.
2(b)	Recommended. You should do this bulletin within XX flight hours after you receive it.
2(c)	Recommended. You should do this bulletin every XX flight hours.
2(d)	Recommended. You should do this bulletin within XX calendar days after you receive it.
3	Recommended. After the parts are available, you should do this bulletin the next time you do any maintenance on the engine.
4	Recommended. After the parts are available, you should do this bulletin the next time the engine goes to an authorized maintenance facility that can do the work.
5(a)	Recommended. You should do this bulletin when the engine is disassembled to do maintenance. You do not need to disassemble the engine more than required for the scheduled or unscheduled maintenance. You can use any approved replacement part when you reassemble the engine.
5(b)	Recommended. You should do this bulletin when the engine is disassembled to do maintenance. You do not need to disassemble the engine more than required for the scheduled or unscheduled maintenance. The parts that you use when you reassemble the engine must meet the requirements of this bulletin.
6	Deleted (see 5a or 5b).
7	This bulletin is optional.
8	Other/Custom.
F	Fleet Incorporation.
